

Te Manawa Hepi-Kamo

Kia ora, I'm a first-year tauira at Te Whare Wānaka o Aoraki studying a Bachelor of Land and Property Management. I grew up in Ōtautahi, Christchurch, and went to Christchurch Boys' High School. My iwi are Ngāti Tūwharetoa and Ngāti Mutunga, and I'm proud to carry those connections with me.

I am putting myself forward for the Social Media Kaimahi role because I want to grow Te Awhioraki and help build stronger connections between tauira.

I want to help make Te Awhioraki's social media a place that people actually want to follow and engage with. With the group of tauira we have, there's a lot more we can share on socials, such as events, achievements within our rūpū, funny moments, and more. I'd look to use creative and engaging content to showcase what Te Awhioraki is about and make sure tauira feel well represented.

I enjoy being creative and communicating with tāngata, and I'd bring that into the role through posts, photos, videos, edits, and other content. I'd be proud to represent Te Awhioraki, contribute, and give back to the community.
