

Ko Jaime Dunn tōku ingoa. Ngāpuhi tōku iwi kia awhi ana au kia tū kaha. I am in my first year of study in a Bachelor of Commerce, majoring in Finance and Accounting. I am hardworking, reliable, and organised.

I want to apply for the Kaitiaki Pūtea role because I feel that I would thrive in this environment and bring a strong sense of responsibility, organisation and care when managing finances. I have always been conscious of managing money carefully and understand the importance of being accountable and transparent when looking after funds that benefit our tauira. The degree I am studying has given me skills that I would be able to apply to this role, while also giving me the opportunity to develop my financial and organisational knowledge further. My goal would be to ensure that our finances are organised, accurate and easy to understand. I would also want to make sure our budget is used thoughtfully to support events, initiatives and opportunities that help strengthen the Māori community at Lincoln and benefit our tauira. Overall, I would love the opportunity to join the Te Awhioraki Executive, contribute to the wider team and make a positive difference to the experience of Māori at Lincoln, while creating an even stronger foundation for future generations of Māori students.
